

Associate Audit

Aruba

The function

As an Associate you are part of an engagement team within the Audit department. You check financial statements and immerse yourself in the internal control environment and risk management of our clients. You work with the Senior Associate to identify challenge areas and risks and to provide professional advice to our clients.

Your profile

You are a starter with a completed Bachelor's degree in Accountancy. You have started or have the ambition to start with a Master program in Accountancy, followed by an RA or CPA Post-Master certification. You have a great sense of responsibility, show initiative and work accurately. You are ambitious and have excellent communication skills in both English and Dutch. Papiamento is a plus.

The offer

Deloitte Dutch Caribbean offers, competitive terms of employment, flexible work schedule, work-life balance, Learning & Development opportunities, career opportunities, international & local assignments, pleasant work environment and culturally diverse colleagues.

Procedure

For further information please contact Mr. Martijn Hees, Director Audit or Mr. Roderick Berk, Manager Audit, via +297 528 6200 or send your application letter and resume to mahees@deloitte.aw or RoBerk@deloitte.aw.

An assessment and reference check may be part of the selection process. Your application will be handled confidentially.
