### Building the Future

#### Main Guidelines of the National Policy for Private Investment

##### Presidential Decree No. 181/15, of September 30, 2015

[Presidential Decree No. 181/15, published in the Official Gazette of September 30, 2015](#), approves the Main Guidelines of the National Policy for Private Investment in Angola, revoking all legislation contrary to the provisions of this Act. This Presidential Decree has been in force since its publication.

Considering that the present Decree defines the Main Guidelines for the National Policy for Private Investment in Angola, it has the following main objectives: attraction of qualified investment; import substitution; promotion of higher added value products abroad and the diversification of the national economy.

In addition, this Diploma establishes the underlying critical aspects to the strategy for the sustainable development of Angola, specifically:

- Political assumptions of the reform for the investment environment in Angola;
- Guidelines and principles of the Investment Policy;
- Role of the State in the promotion and incentive of Private Investment;
- Decision Model of the Private Investment Policy; and
- Functions of the Private Investment Support Agencies.

For further information, please see Presidential Decree No. 181/15.
