Family + Business Diagnostic Lab

How do I know if my business and family is healthy?

Do I have relevant and robust communication practices in place?

Do I have the right governance structure and processes in place for the family group?

Do we have family harmony and is there a sense of equality among our next generation?

Our solution

The value of our lab

Why Deloitte?

Want to know more?

Deloitte Private have developed a unique methodology that assists Family Enterprises seeking to safeguard the future of their family business and improve the communication between family members and the business.

The methodology is brought to life through a focused workshop facilitated by a team of Family Enterprise specialist and SMEs, providing you with a broad range of perspectives to;

- quickly advise and prepare you for the path to achieving your family and business goals;
- and help you prioritise and recommend the most critical initiatives to support your Family + Business roadmap.

Want to know more?

We help family businesses navigate the shifts in perspectives, goals and interests as a result of the every-evolving, complex lifecycles of the business. Our goal is to provide you with a transparent forum to address problems and identify opportunities.

Cognitive empathy

Understand what you have experienced.

Holistic analysis

Address issues that may prevent longer term success.

Human-centered

Ensure the solutions are fit for your family business.

Co-designed

Work closely with you to map out the future.
