

Finance Managed Services

KEY DRIVERS FOR OUTSOURCING

Why Outsource ? All Finance teams and tasks can be outsourced, the following drivers outline why outsourcing can provide a range of benefits to all business types:

- The need to have **consistent, elevated and standardised** Finance operations across all legal entities.
- **Standardised reporting**, providing management with **greater visibility and insights into the performance** of the business real time driving strategic decision making
- **Skill set shortages** or unexpected key staff **resignations/unavailability**.
- **Improved** daily delivery of all tasks, month-end close, reporting and insights to allow for **timely decision-making by management**
- Access to a team that **can scale up and down** and is **agile** as required to support your business and deliver a **cost out / reduction** for your finance support team.

THE DELOITTE DIFFERENCE

Highly trained and experienced resources to manage all tasks from transactional accounting, to Financial Controllership, with the ability to handle complex accounting and reporting

Streamlined methodology and technology resources to manage all Finance Deliverables.

Codified and scalable approach to business as usual and improvement of your Finance processes tailored to your needs.

Strategic alignment to your business with a focus on cost-reduction and elevation of finance outputs.

Assistance with regulatory compliance of required disclosures in Financial Statements, including consideration of new Accounting Standards.

Improved controls and governance supporting all Finance outputs with a complete audit trail to assist you and your auditors.

Standardised and consistent reporting for management and board monthly, half yearly and annually or at a frequency required by your business

Continuous Finance Partnering and Management oversight with monthly meetings to provide a solid communication framework for performance and issues escalation and resolution.
