

Imagine an SMSF audit platform that uses the power of automation and data to improve your workflow, reduce risk and lower costs. **Consider the possibilities for your business.**

Enhance your reputation

Our SMSF Audit offering is built on the expertise of Australia's market leaders in SMSF audit, so your clients can have complete confidence in the integrity and independence of their audit.

Be more competitive

Through direct data feeds and automation, you can both improve the quality of SMSF audits and reduce costs. Reimagine what's possible with your revenue stream and make your business more competitive.

Retain clients

Concentrate on growth. With SMSFs expected to grow to \$900 billion in 2035, our audit platform helps you retain SMSF clients while helping you grow your business.

SMSF Audit
Redefine what's possible

Take a look at the future of SMSF audits.

See more. Do more.

A simple intuitive dashboard gives you complete visibility to help improve your workflow. View the status of each audit, track communication and documents by audit or query, and define roles and access for users. Full transparency means you can identify what still needs to be done and who needs to do it.

Prioritise funds for urgent turnaround

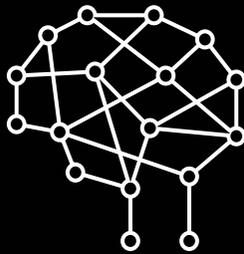

Customised report generation and download capability

Personalised dashboard for each user

The power of intelligence.

Our purpose-built platform has been designed to help you improve your processes by identifying trends in your client base, common breaches and missing documents. Custom reports give you the power to judge both your performance, and ours.

“Designed specifically for SMSF accountants and administrators.”

Data that works for you.

Technology is changing the rules. By incorporating robotics and direct data feeds from the main accounting software solutions (Supermate, BGL and Class), company searches, valuers, unit registries and land and title registries, not only do you have less paperwork, but your audit is completed faster, at a higher quality and lower cost. It's a game changer for your business.

A process that's built around you.

A commercial approach.

Our audits are based on a deep understanding of the SMSF industry and we apply a risk-based approach, focusing on areas of relevance.

Tailored to suit you.

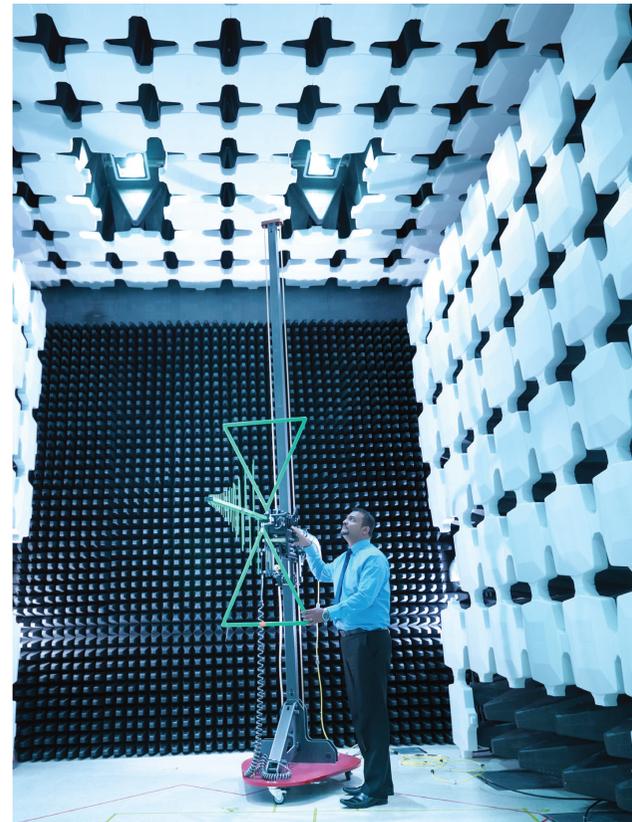

No matter how big or small your practice, we'll work with you to make sure we can integrate seamlessly with your existing processes.

Regular, clear and consistent communication.

No one likes surprises. So you can have confidence you'll hear about any issues as soon as they arise, no exceptions.

A single point of contact.

To help create a smooth workflow and fast turnaround time.

Industry-led digital solutions brought to you by the market leaders in SMSF audit.

Audit shows where SMSF trustees stand and helps inform your next step. We provide the assurance that future decisions are built on strong foundations, that they're informed by relevant insights and guided by sound decisions. In all we do, we illuminate the what, how, and why so you're always ready to act ahead. Here are 3 key reasons that set us apart:

1

Market leaders in audit

As the market leaders in audit, and specifically, the only Big 4 accounting firm in the SMSF audit space, we are in a unique position to create a platform that caters to the needs of the SMSF accountants and administrators.

2

Category-changing technology

Our investment in technology and innovations such as direct data feeds and robotics, is redefining the SMSF audit industry with higher standards of data integrity, more efficient workflows and lower costs.

3

A consultative approach

Technology is only as good as the people behind it. So, we consult with you every step of the way, tailoring our approach to suit your business, and providing regular, clear and consistent communication so there are no surprises.
