International futures positions - no instructions received

In our notice to futures clients on 4 November 2011, we requested that you provide instructions to close out or transfer all your international futures positions by 5pm (Sydney time) on the date of the notice.

Our records indicate that you did not give us instructions in accordance by 5pm (Sydney time) on 4 November 2011 in respect of all your open positions (and have not since given us instructions).

We wish to advise that MFGA has determined to take action available to it to **close out all open positions** from 5pm (Sydney Time) today, 9 November 2011 on the terms contained in our notice to clients dated 4 November 2011. Representatives of MF Global Australia Limited (administrators appointed) will be in contact with you shortly to discuss your open positions.

We also note that in respect of positions on certain markets, decisions have been made by the relevant clearing house or clearing participant to unilaterally close out open positions, in which case the actions taken by the relevant clearing house or clearing participant will be beyond our control.
