

# How far along on the digital identity transition journey are you?

Use this framework to guide your thinking around the seven key transition areas associated with creating a fit for purpose digital identity system. Assess where you see yourself, your competitors and the marketplace disruptors across these five stages.

 **Plot all 3 buttons** in one of the five stages against the seven transition areas, outlined on the left. This will help you to **assess your transition journey** against competitors and disruptors.

What do you need to do to be prepared now and in the future?

● Competitor ● You ● Disruptor

\*In the case of government body, business model should be considered as 'organizational model' and customer as 'citizen'
