

Knowing your business is INSPIR&D

We've changed the way we interact with you to add lasting value and help you focus innovation across your business.

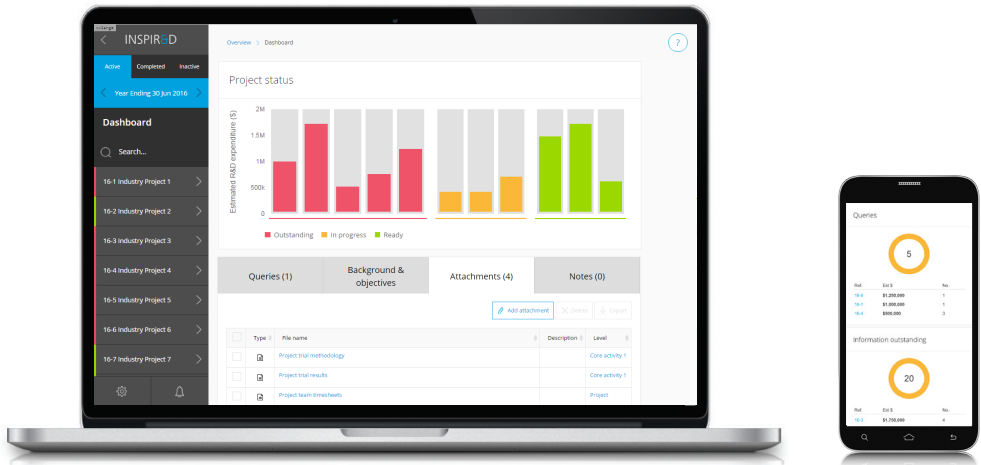

Our insights and recommendations manage risk, identify and validate your R&D projects.

We aspire to make it easy for you to spend time on what matters most; coming up with great ideas and competing to succeed in challenging markets.

When all of this works – it's INSPIR&D

INSPIR&D
See R&D further

- INSPIR&D is the smart new collaboration platform designed by Deloitte used to capture your R&D project information contemporaneously
- You can upload or capture your project information, monitor progress and validate R&D work – all in real time, helping you make fast, informed decisions anywhere, anytime
- To substantiate your R&D project you can now include photos taken from your mobile device or you can upload other supporting documentation
- Executive dashboards provide high level overview of the status of the R&D project documentation preparation for the R&D tax incentive
- A query function will allow you to request assistance from your R&D team. All queries and responses are tracked within the platform
- Information relating to your R&D tax incentive claims is now housed in one place and hosted within the secure Deloitte network in Australia
- You also have autonomy on how the system is configured for your use with multiple access levels and user rights available within the platform.
