Deloitte Legal – Considering future

The need for foreigners to apply for registration at the place of stay has been eliminated

According to the information provided by the State Migration Service of the Republic of Azerbaijan dated 26 March 2020, applications of foreigners on registration upon place of stay, whose current registration expires within March 16-24 and who are not able to leave the country shall be considered accepted by the State Migration Service.

The need for foreigners to apply for an extension of their temporary stay in the country has been eliminated

According to the information published by the Public Relations Department of the State Migration Service of the Republic of Azerbaijan on 24 March 2020, the need to apply for an extension of the temporary stay of foreigners currently remaining in the country and unable to leave the country has been eliminated. Applications of foreigners whose stay in the country expires within the period from 24 March 2020 to 30 April 2020 are considered accepted by the State Migration Service and the validity of their stay in the country will be subject to payment of the state duty as provided under the Law of the Republic of Azerbaijan "On State Duty":

- extension for 30 days – AZN 15 for minors, AZN 30 for others,
- extension for 60 days – AZN 30 for minors, AZN 60 for others.

In order to extend the period of temporary stay in the country, it is necessary to pay a state fee. Payment can be made electronically through the Government Payment Portal, the "ASAN payment" system and through Expresspay terminals by obtaining a payment number through the "Follow the application" section on the website of the State Migration Service. Payment numbers will be posted on the website of the State Migration Service within two days.

There is no need to collect physical decisions on extension of the stay. In this regard, foreigners are advised not to approach the reception offices of the State Migration Service.
