Simplified procedures for declaration of goods by individuals

For the purposes of ensuring convenience and transparency during the declaration of the goods by physical persons, the State Customs Committee of Azerbaijan integrated the electronic service on “Simplified Declaration for the Physical Persons” into the “E-Government Portal” as of 5 January 2016.

As a result, any individual entering or exiting the country, may electronically declare the information on vehicles, jewelries, currency and goods, conveyed through customs border, to the customs authorities. Online declaration may be done either via the official website of State Customs Committee (www.dgk.gov.az) or E-Government Portal (www.e-gov.az).

In addition, citizens may fill in the simplified electronic declaration, as well as get information on basic provisions of customs legislation and rules required for customs control by using special “customs” kiosks installed at all border checkpoints.

At the same time, the list of goods prohibited or limited for circulation can be found in special designated places at the border checkpoints.
