Strategic road maps for the national economy and main economic sectors approved

Yesterday the President of Azerbaijan has signed a Decree approving “Strategic road maps for the national economy and main economic sectors”. Strategic road maps approved by the presidential Decree aim to define the country`s development goals and priorities as well as ensure their implementation.

The Decree has approved the Road Maps for the following sectors of the economy:

- For the prospects of the national economy;
- For the development of the oil and gas industry;
- For the manufacture and processing of agricultural products;
- For the manufacture of small and medium entrepreneurship-level consumer goods;
- For the development of heavy industry and machinery;
- For the development of specialized tourism industry;
- For the development of logistics and trade;
- For the development of housing provision at a reasonable price;
- For the development of vocational education and training;
- For the development of financial services;
- For the development of communication and information technologies;
- For the development of utilities (electricity and thermal energy, water and gas supply) in the Republic of Azerbaijan.

The strategic road maps will cover 2016-2020 economic development strategy, long-term outlook up to 2025 and target vision after 2025.
