Customs e-declaration of goods and vehicles with ASAN Signature

An electronic customs declaration system was introduced in Azerbaijan on 4 April 2016, aimed at ensuring transparency and efficiency in the customs process.

Electronic declaration services for goods and vehicles are now available through the E-Government Portal (www.e-gov.az). [Individuals](#) can benefit from prompt online customs clearance of imported goods and vehicles by simply using an ASAN Signature. This procedure involves logging into the E-Government Portal using the ASAN signature and filling in the customs declaration form by choosing the relevant electronic service. The completed declaration must be authenticated (signed) using the ASAN signature.
