The Changes in the structure of the Ministry of Taxes

According to the Order of the Minister of Taxes dated 15 September 2015 the units for the collection of tax debts functioning under the Special Regime Tax Service Department, Baku Tax Department, as well as under the regional tax offices were replaced with the Division for Enforcement of Tax Debts under the Department of Primary Investigation of Tax Crimes (the “Department”).

Different to the previously existing practices, the Department now will be handling tax debt cases starting from the date of occurrence of each debt rather than dealing with tax debts only with a criminal content.
