

## German Desk Bosnia and Herzegovina

### Who are we?

Deloitte, being one of the largest professional audit, consultancy and tax advisory organisations in Bosnia and Herzegovina, offers a broad range of industry-specific audit, tax advisory, financial advisory and business consultancy services. Deloitte employs over 50 staff in its offices in Sarajevo and Banja Luka.

With more than 14 years of experience in Bosnia and Herzegovina, we have managed to position ourselves as market leaders in audit and tax advisory services. Our client base includes many customers from German-speaking countries who are served by our experienced, German speaking professionals from our audit, tax and legal and regulatory lines of service.

### What can we do for you?

Investing in Bosnian-Herzegovinian enterprises can be a tough undertaking. Different local circumstances in the country and the language barrier are only some of the potential issues surrounding foreign investments.

Deloitte offers consultancy services in German locally to enable building a close cooperation right on the spot. Our professionals with German language skills are available to assist you and your colleagues regardless of the complexity of the issue at hand.

## Our services

Even if you are already present in Bosnia and Herzegovina, we are certain that you can benefit from the many years of our professional experience.

We offer complex advisory and consultancy services, including:

- audit and business advisory
- advice on all types of direct and indirect taxes and various tax issues (corporate income tax, personal income tax, value-added tax, etc.)
- accounting and bookkeeping
- financial advisory
- risk management
- legal and regulatory services.

## Why Deloitte?

Thanks to the knowledge of our local practitioners we are in the position to respond to your needs, by providing practical and cost-effective solutions not only for today but also for tomorrow.
