

Procedure

Login with alternative Multi-Factor Authentication (MFA)

This procedure describes how to log in with an alternative multi-factor authentication (MFA) as a client.

1. Go to <https://digitalaccountant.deloitte.be/>.
2. Fill in the mail address that you use for Digital Accountant or select this if it is proposed and fill in your password.
3. If you no longer have the option to consult the code, click on *Having trouble? Try another MFA method*.

Note: This is only possible if you activated both MFA methods when you activated your account. If this is not the case, you will have to contact your Deloitte contact for bookkeeping.

5. Fill in the code that you received and click on **Verify**.

6. You are now logged in.

4. Choose one of the options and click on **Next**.

More info

Feel free to contact your account manager for more information.

Deloitte.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities (collectively, the "Deloitte organisation"). DTTL (also referred to as "Deloitte Global") and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte is a leading global provider of audit and assurance, consulting, financial advisory, risk advisory, tax and related services. Our global network of member firms and related entities in more than 150 countries and territories (collectively, the "Deloitte organisation") serves four out of five Fortune Global 500® companies. Learn how Deloitte's approximately 330,000 people make an impact that matters at www.deloitte.com.

This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms or their related entities (collectively, the "Deloitte organisation") is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser.

No representations, warranties or undertakings (express or implied) are given as to the accuracy or completeness of the information in this communication, and none of DTTL, its member firms, related entities, employees or agents shall be liable or responsible for any loss or damage whatsoever arising directly or indirectly in connection with any person relying on this communication. DTTL and each of its member firms, and their related entities, are legally separate and independent entities.
