your HR department

A made-to-measure solution

“Organisations now expect HR not only to be efficient in their delivery of core services but also to set the talent agenda and to drive performance and engagement.”

Human Resources Outsourcing

In today's competitive and rapidly changing world, HR departments are under tremendous pressure. In addition to the daily responsibilities of hiring, training and retaining employees, HR increasingly fulfils a strategic function. Meanwhile, changing employee expectations must be balanced with the need to control costs and increase productivity.

To help HR departments manage these challenges, Deloitte Human Resources Outsourcing offers an array of flexible solutions. Operational HR assistance at the client's premises can cover all functionalities across the HR domain: from short-term, ad-hoc support to fully outsourced (co-sourced) solutions, staffed with HR professionals carefully selected and trained by Deloitte.

Almost any organisation can at some point benefit from an HR Outsourcing solution. They include large or medium-sized companies, rapidly growing organisations, or non-profits looking to rapidly professionalise their HR functions.

You and your Deloitte project manager start by discussing your needs. Topics include your organisation, the context of the assignment, the main tasks and deliverables, and the timing – as well as profile and experience requirements. Suitable candidates are then selected and presented to you during an interview. After an agreement has been reached and the assignment begins, it is closely followed up by your Deloitte project manager. At the end of the assignment, feedback is collected and shared.
