Upcoming Deloitte Foundation Volunteer Opportunities

The Deloitte Foundation brings together a range of social projects in which we collaborate with strategic partners. The projects focus on education, entrepreneurship and employability. These areas express Deloitte's culture as a coaching and learning organisation, and make the best use of our skills in order to have a greater impact.

How can you make your impact? Participate in an upcoming activity for VLAJO or Les Jeunes Entreprises!

VLAJO/Les Jeunes Entreprises enables students to develop entrepreneurial skills and prepare for working life through simulation exercises in which they experience how to run their own company. Deloitte provides feedback on business plans, serves on competition juries, advises the initiative's management and offers a Deloitte Innovation Award.

See below for detailed schedule of upcoming activities where we look for volunteers. For more information, reach out to becr@deloitte.com
