Deloitte acquires Aptys Consulting

A market leading SAP Ariba system integrator

Brussels, Belgium – June 25th, 2021 - Deloitte announced today the acquisition of Aptys Consulting, a market leading SAP Ariba system integrator. The Aptys Consulting team will join Deloitte's SAP business and will operate as 'Aptys a Deloitte business'. This acquisition will reinforce Deloitte's leading position in the SAP market through the addition of a new Center of Excellence "SAP Ariba". The Deloitte SAP practice already hosts Centres of Excellence in SAP Extended Warehouse Management, SAP Global Trade Services and OpenText, making SAP Ariba the fourth.

Rolf Driesen, Managing Partner Consulting at Deloitte: "*Aptys Consulting is the perfect addition to Deloitte's consulting services. We already provide comprehensive expertise for SAP-enabled transformation programs, but we are always looking for opportunities to complement our services and grow our team to ensure that we can meet increasing demand and exceed our clients' expectations. With this acquisition we complete our SAP services portfolio and will be able to serve our SAP clients even better. It also helps cement our position as one of the leading SAP integrators in Belgium and in Europe.*"

Aptys Consulting is a highly experienced consulting company focusing on Source-to-Pay processes leveraging SAP Ariba, Celonis process mining and mobile applications. "*We are delighted to join Deloitte,*" confirmed Axel Beauduin, CEO of Aptys Consulting. "*We bring innovation to create smart transformation that impacts and to build long-term relationships with our clients based on trust - which is exactly what Deloitte does too. Joining our expertise with Deloitte's large capabilities enables us both to serve our clients even better, and support more organizations as they embrace SAP.*"

Since 2008, Aptys Consulting has been supporting large and medium-sized companies. They have extensive expertise in process design, solution development and implementation, change management, and project management, ensuring new business processes and technologies are implemented rapidly and cost-efficiently. Its end-to-end solutions to support transformation include audit, design, implementation, deployment, monitoring and optimisation. By focusing on the end-user and processes, Aptys Consulting has integrated additional dimensions, like ergonomics, user-friendliness, and usability as integral parts of the solutions it deploys.

Yannick Jacques, SAP leader North & South Europe at Deloitte: "*Our global award-winning SAP practice has been helping international organisations achieve business success since 1989. Our Belgian SAP practice consists of more than 400 SAP professionals, who are all delighted that 20 experienced and dynamic Aptys Consulting team members are joining us. Their enthusiasm and expertise in source-to-pay processes based on SAP Ariba and mobile applications connected to SAP ERP are a great addition to our capabilities. They strive to achieve 'smart transformation that impacts' and our Purpose is to make an impact that matters, so we are a perfect match.*"
