

## Accounting & Controlling Professional

### Your job

As an Accounting & Controlling Professional you will be part of a team which delivers a large range of services in accounting, tax and finance & control to international clients. Our services start with filling temporary needs to qualified people till the permanent filling in of the complete or partial finance/accounting department.

Thanks to our multidisciplinary approach we are able to cope with constantly changing expectations of our clients. A strong knowledge in accounting, VAT, tax and financial management is crucial to surpass the expectations of the clients.

As an Accounting & Controlling Professional you are active in domains as accounts payable/receivable, general ledger, cost accounting, financial planning, closing and tax returns. Based on your competencies and the request of the client, you will always be deployed to challenging projects on short and long term.

Depending on your competencies, you will get the possibility to take on more responsibilities and to evolve in a role as (Head) Accountant, Controller, Credit Manager, Finance Advisor... .

We assure you of a professional growth through large internal and external training programmes, in combination with an extensive coaching-on-the-job.
