### Individual tax

### Increased mileage allowance for professional travel in Belgium

The tax authorities published a circular letter on 27 June 2019 ([Dutch](#) | [French](#)) regarding the mileage allowance update. The circular states that **EUR 0.3653/km** (up from EUR 0.3573/km) is acceptable as a tax-exempt lump-sum payment that covers travel expenses incurred by employees using their own car or motorcycle for business purposes during the 1 July 2019 - 30 June 2020 period.

Employers planning to grant their employees a higher mileage allowance (i.e. one in excess of EUR 0.3653/km) must be able to demonstrate that this allowance covers the actual costs incurred by employees.
