

# How to apply

How can could you become a Best Managed Company?

## Step 1

Register for the programme by completing Phase 1 - the online application form. All companies deemed eligible are then invited to complete a further more detailed submission.

## Step 2

Companies shortlisted for the Phase II process will work with coaches from Deloitte and the programme partners to complete their submission

## Step 3

Submissions are reviewed by coaches and an independent judging panel

## Step 4

Laureates are announced at a major business convention and gala event in 2021.
