

# The Deloitte Internship

## It's your future. Make an impact that matters.

You have reached one of life's important crossroads. You may have completed your first year at UWI, or another eligible program. The Deloitte Internship Program was created with you in mind.

For several years, Deloitte has offered exciting internship opportunities for students seeking careers in areas including Finance, Economics and Accounting – students who are looking to work in Audit, Advisory, Tax or IT. At Deloitte, we look for exceptional individuals who are creative and passionate about making an impact, and contributing to our growth and success through meaningful, value-added work.

If this sounds like you, we invite you to be part of a vibrant and diverse organization, and work with people who are forward thinking and committed to making a difference. We are committed to growing the world's best leaders, and the Deloitte Internship is one of many ways we offer future leaders a glimpse of our culture.

The Deloitte Internship runs between June and July each year. During the internship, students gain formal training in their chosen field of study, hands-on professional experience, and vital skills to help them achieve their career goals. Interns also gain experience working with professionals at all levels, exposure to different practice areas, and a broad perspective on how Deloitte services clients.

Each intern is assigned a counsellor who will provide formal training, performance feedback, and a solid knowledge base. Interns are also assigned to a partner who is available to discuss performance and questions periodically. This approach empowers interns to set and achieve their goals through a process of ongoing, candid feedback and meaningful performance reviews.

Former interns are considered to be an important part of the Deloitte community, and we encourage interns to stay in touch as they progress through their careers. Students who show initiative are often invited back and ultimately employed as full time staff.

To apply for the Deloitte internship, students should submit their resume and a cover letter explaining why they are interested in the position to [bbrecruitment.com](mailto:bbrecruitment.com) by 20 March 2015. For more information, please contact [rogill@deloitte.com](mailto:rogill@deloitte.com).
