

On-call advisory

Our focus

We understand that accounting or financial reporting questions can arise at any time and require immediate attention. Our team of highly skilled professionals is committed to respond instantly to your needs through a single phone call.

Our capabilities

Our team deals in all aspects of accounting and financial reporting matters and possess an in-depth knowledge of Canadian, U.S. and international standards, including regulatory reporting matters. Our team deals with public debt and equity, private equity, M&A, divestiture and structuring transactions daily. We provide a unique skill-set to support your finance and deal teams including:

- Analysis of accounting or financial reporting for securities, IPOs and other transactions
- Assistance in interpretation of new or existing accounting standards to proposed transaction structures (debt, equity, financial instruments, securitizations, structured finance, leasing, revenue, stock compensation, etc.)
- Assistance in transaction structuring to achieve accounting or financial reporting objectives
- Assistance to deal teams working on M&A and other complex transactions
- Assistance in reconciling across accounting frameworks
- Assistance in dispute negotiation or litigation matters related to accounting or financial reporting

Our commitment

To serve your needs, you can expect to reach us immediately with your questions through a dedicated hotline. You can rest assured that our team of professionals will work around the clock to respond instantly to your calls.

Our arrangement

We would be pleased to work with you as your on-call advisors. Our goal is to provide you with the best professional services at a competitive cost, under a fee structure that is clearly stated and without surprises. We are committed to investing in and building a strong relationship with you.

To learn more about how our **On-call advisory services** can help your legal teams succeed, please contact your Deloitte advisor.
