

Consulting Summer Internships Get ready to take on the world

13 June 2016 to 2 September 2016

Your summer with Deloitte could set you up for an impressive future. Deloitte Switzerland's **Consulting Summer Internship Programme** is your chance to get a taster of a career where you will work with top names in the industry, get challenged and gain experience while working on different assignments.

Apply now for a position which suits both your personal and academic background and begin to build a global network of friends and colleagues. You could even go back to university with a job in your pocket!

We look forward to receiving your online application on www.deloitte.com/careers.
