Cyber innovations for financial services Defending against ever-changing threats

Date: Thursday, 30 June 2016

Time: 17:00 - 20:00

Location: Deloitte Academy, General-Guisan-Quai 38, 8002 Zurich

Dear Sir and Madam,

We are pleased to invite you to the upcoming cyber innovations event on June 30, which addresses how financial services organisations can adapt to manage new and changing threats.

Few areas are as dynamic and fast changing as cyber security. Beyond the usual arms race between attackers and defenders, regulators have started to weigh in and set expectations on how financial services firms are to manage their cyber risks.

This event covers recent developments starting with cyber regulation and the role audit can play in protecting your enterprises. This is followed by presentations on cyber innovation and the potentially game-changing approaches that

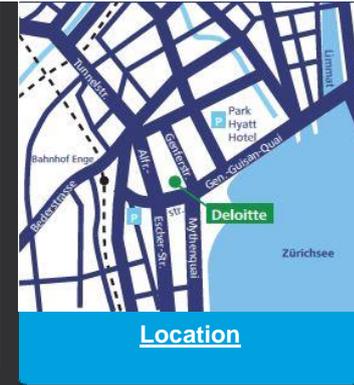

I will attend the Cyber Security Event

For more information on the event, please contact Isabelle Bücheler on +41 58 279 77 71 or via email.

financial services institutions can pursue to better protect themselves. The event closes with an apéro riche that will provide an opportunity to network and discuss among peers.

We look forward to welcoming you on Thursday, June 30 2016. Please use the links on the right hand-side of this invitation to register for the event.
