

1 STOP
– Stock Taking

1STOP - Advanced Stock-taking Process

Innovate the physical asset inspection process

Benefits

► Automate the Count Process.

Use the barcode reader to scan inventory items, take photos of items observed, and easily record notes with voice dictation.

► One tool from start to finish.

Use the interactive documentation platform to manage count assignments and to create and share count instructions and checklists.

► Monitor in real-time.

Use the web application to view the count results instantaneously. Automated variance alerts allow for timely resolution of discrepancies while still onsite.

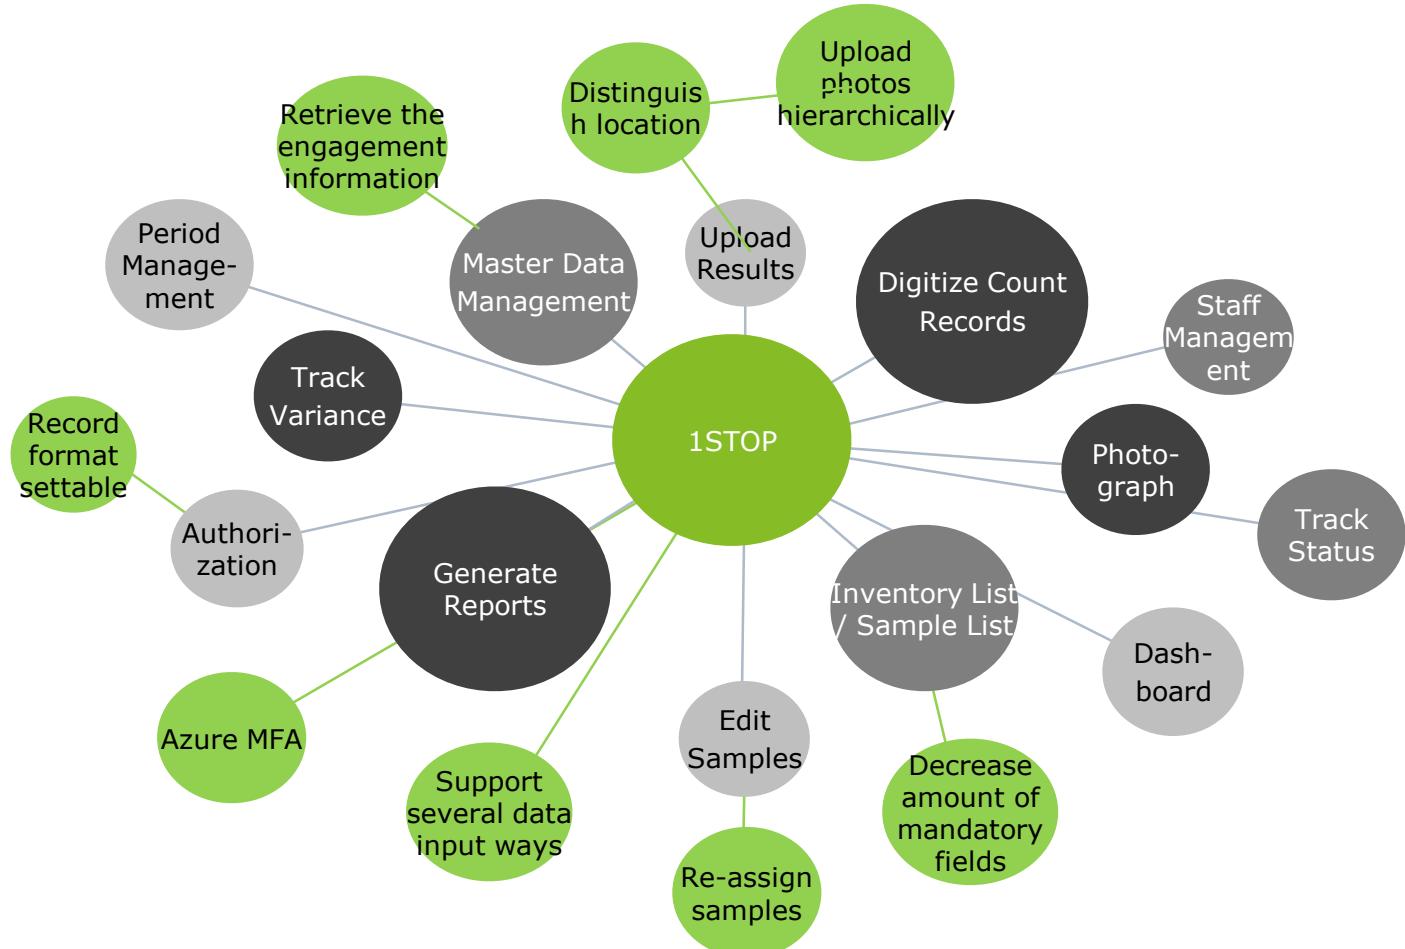

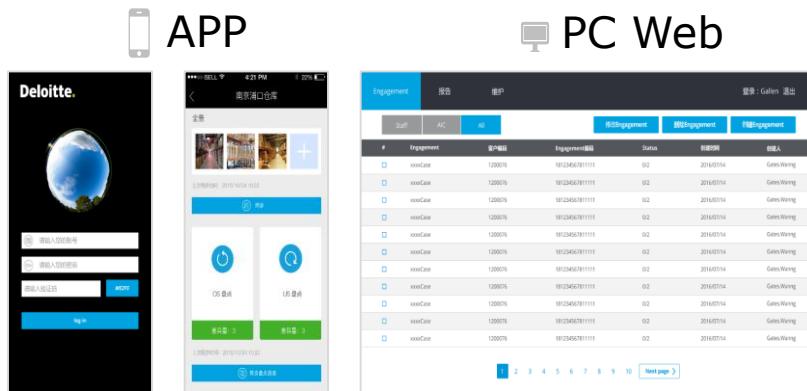

► Automatically reconcile results.

Use 1Stop to reconcile final inventory count results to the client's inventory compilation and stock ledger. Consolidate all count results into a single document.

Why 1STOP - Vision of Advanced Stock-taking Process

1 Stock Taking O2O Platform (1STOP) is released through PC and Mobile to address the improvements in:

- Management
- Quality
- Efficiency

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities. DTTL (also referred to as "Deloitte Global") and each of its member firms and their affiliated entities are legally separate and independent entities. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte Asia Pacific Limited is a company limited by guarantee and a member firm of DTTL. Members of Deloitte Asia Pacific Limited and their related entities provide services in Australia, Brunei Darussalam, Cambodia, East Timor, Federated States of Micronesia, Guam, Indonesia, Japan, Laos, Malaysia, Mongolia, Myanmar, New Zealand, Palau, Papua New Guinea, Singapore, Thailand, The Marshall Islands, The Northern Mariana Islands, The People's Republic of China (incl. Hong Kong SAR and Macau SAR), The Philippines and Vietnam, in each of which operations are conducted by separate and independent legal entities.

The Deloitte brand entered the China market in 1917 with the opening of an office in Shanghai. Today, Deloitte China delivers a comprehensive range of audit & assurance, consulting, financial advisory, risk advisory and tax services to local, multinational and growth enterprise clients in China. Deloitte China has also made—and continues to make—substantial contributions to the development of China's accounting standards, taxation system and professional expertise. To learn more about how Deloitte makes an Impact that Matters in China, please connect with our social media platforms at www2.deloitte.com/cn/en/social-media.

This communication is for internal distribution and use only among personnel of Deloitte Touche Tohmatsu Limited, its member firms, and their related entities (collectively, the "Deloitte Network"). None of the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this communication.
