Deloitte.

Managed Detection and Response (MDR)

The end-to-end managed endpoint threat detection & response service

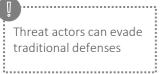

() Common challenges on breach detection

As cyber threats grow in number and become increasingly sophisticated, threat actors can be concealed within your infrastructure, undetected for weeks or months, ex-filtrating critical information. The following challenges are faced by many organisations on breach detection:

rotected with No

Endpoints protected with traditional AV tool only

No remote endpoint management & response capabilities

Limited professional skills & staff resources

.....

Lack of effective & continuous detection process

Incidents and data breaches may not be detected in time, and eventually become a cyber crisis to the organisation

:.....

R Managed Detection and Response (MDR) service by Deloitte

To overcome the breach detection & response challenges faced by organisations, Deloitte's Managed Detection and Response (MDR) service is designed to provide 24 × 7 × 365 threat defense through the combination of Endpoint Detection & Response (EDR) technologies and cyber threat hunting experts to continuously monitor, detect, investigate, respond and remediate to known and unknown threats residing in your endpoints.

[People: Skills & Time] Deloitte's experienced threat hunting & incident response experts

About Deloitte

MAKING AN IMPACT THAT

MATTERS

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities. DTTL (also referred to as "Deloitte Global") and each of its member firms and their affiliated entities are legally separate and independent entities. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte Asia Pacific Limited is a company limited by guarantee and a member firm of DTTL. Members of Deloitte Asia Pacific Limited and their related entities, each of which are separate and independent legal entities, provide services from more than 100 cities across the region, including Auckland, Bangkok, Beijing, Hanoi, Hong Kong, Jakarta, Kuala Lumpur, Manila, Melbourne, Osaka, Shanghai, Singapore, Sydney, Taipei and Tokyo.

The Deloitte brand entered the China market in 1917 with the opening of an office in Shanghai. Today, Deloitte China delivers a comprehensive range of audit & assurance, consulting, financial advisory, risk advisory and tax services to local, multinational and growth enterprise clients in China. Deloitte China has also made—and continues to make—substantial contributions to the development of China's accounting standards, taxation system and professional expertise. Deloitte China is a locally incorporated professional services organisation, owned by its partners in China. To learn more about how Deloitte makes an Impact that Matters in China, please connect with our social media platforms at www2.deloitte.com/cn/en/social-media
