

## Moving forward IFRS a challenge that we all must assume

Have you not started yet your trip to the world of the IFRS?

In Deloitte – Business Process Solutions (BPS) we help you to set the safest course in order that this trip will be successful.

The companies' accounting internationalization process is a reality in Colombia.

Do not wait any longer!

### Travel itinerary

- **Diagnosis**

- Evaluation of the potential impact of the IFRS adoption.
- Analysis of the degree of preparation of organizations for the conversion to IFRS.

- **Quantification support and guide**

- Support in the quantification of IFRS, including, among others, support in technical and training issues
- Support in the preparation of the adjustments necessary for the conversion to IFRS.

- **Support in the preparation of the opening balance sheet**

We help you with the outsourcing of your IFRS accounting, relying on our technological tool Microsoft Dynamics NAV 7.0, which has the necessary characteristics (multibook, multicurrency, independent depreciation, among others) to comply with the requirements of these standards.
