

Rewriting the rules for the digital age

2017 Deloitte Global Human Capital Trends

Organization design is a challenge

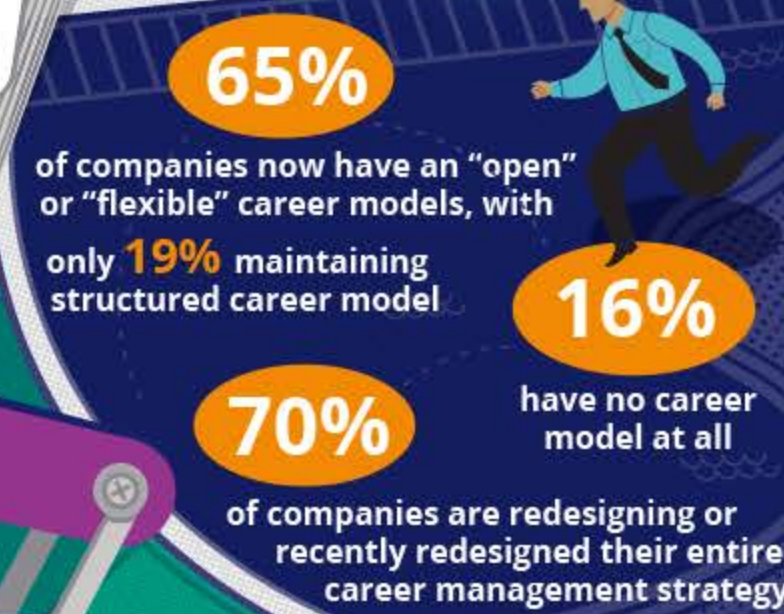

HR is being left out of AI-driven work redesign

In the area of implementing AI and robotics...

Structured careers are going away

YET Only 9% truly understand how their internal organization's network works, and 11% feel fully capable of redesigning their organization for the future

Leadership strategy is not adapting to digital business

YET Only 5% have strong digital leadership development programs today, and 65% have no significant program to drive digital leadership skills

Contingent work is increasing
