Facilitators

Eliza Lozan

Eliza is the privacy business leader at Deloitte Middle East and a legal specialist. She has broad experience and in depth knowledge within various areas in privacy and cyber security, and aims at making her legal advice pragmatic, business and solution oriented. Eliza provides cyber risk services to clients in both the public and the private domain and across many different industry sectors, Eliza mainly advises on privacy, especially with focus on GDPR, privacy by design, marketing, ISO standards and provides risk assessments and analyses on cyber security matters. She furthermore advises within 3rd party risk management and works on drafting data processing agreements and other relevant IT contracts.

Recently, Eliza undertook a privacy PMO lead role for one of the biggest retail companies in the world. Eliza is responsible for Deloitte's global DPO as a service offering and has assisted several companies and public authorities with adjusting to the new DPO role, providing DPO as a service where Eliza has undertaken the DPO role for the clients, conducted DPO reporting to management, conducted data mapping, GAP analysis and implementing the requirements of the GDPR both in their manual processes and IT systems Eliza has extensive experience in handling complex stakeholder schemes and political aspects in the performance of tasks. Eliza is leading and facilitating DPO networks with representatives from hand picked large international and local companies

Christina Themistocleous

Christina is a Director in the Risk Advisory department managing a large number of engagements providing advisory services, including FATCA, CRS, DAC 6, AML, General Data Protection Regulation (GDPR), Data Privacy, Control Assurance, Extended Enterprise Risk Management, and Internal Audit Services (both outsourced and co-sourced to clients in various industries).

Christina led a number of Projects providing independent verification services as well as Third Party Assurance reports ISAE 3402 - type 1 and type 2 reports. She provided cyber risk advisory services in relation to the General Data Protection Regulation, led a number of GDPR engagements as a Project Manager, assisted clients in the drafting of privacy policies and procedures as well as in the design and implementation of adequate controls. Additionally, she assisted clients in embedding controls for the data subject rights management and appropriate mechanisms for consent management in their internal model and she provided advisory services for regulatory and cyber risk to Branches of international Banks (Jordan, Lebanon, Oman, Qatar, Bahrain, etc).

In addition, Christina is the Head of the Deloitte Academy, and provides a number of seminars on FATCA, CRS, AML, DAC6 and GDPR.

Christina is a facilitator in the Deloitte University in Brussels facilitating soft skills Programmes and she is a certified HRDA facilitator.

This information leaflet has been written in general terms and therefore cannot be relied on to cover specific situations; application of the principles set out will depend upon the particular circumstances involved and we recommend that you obtain professional advice before acting or refraining from acting on any of the contents of this information leaflet.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited (“DTTL”), its global network of member firms, and their related entities (collectively, the “Deloitte organisation”). DTTL (also referred to as “Deloitte Global”) and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte & Touche (M.E.) LLP (DME) is the affiliate for the territories of the Middle East and Cyprus of Deloitte NSE LLP (“NSE”), a UK limited liability partnership and member firm of DTTL.

Deloitte Limited, a private limited liability company registered in Cyprus (Reg. No. 162812) is the sub-licensed affiliate of Deloitte NSE for Cyprus. Deloitte Limited is among the leading professional services firms in Cyprus, providing audit & assurance, consulting, financial advisory, risk advisory, tax and related services as well as a complete range of services to international business through over 750 people in Nicosia and Limassol. For more information, please visit www.deloitte.com/cy.

Deloitte provides industry-leading audit and assurance, tax and legal, consulting, financial advisory, and risk advisory services to nearly 90% of the Fortune Global 500® and thousands of private companies. Our professionals deliver measurable and lasting results that help reinforce public trust in capital markets, enable clients to transform and thrive, and lead the way toward a stronger economy, a more equitable society and a sustainable world. Building on its 175-plus year history, Deloitte spans more than 150 countries and territories. Learn how Deloitte’s more than 345,000 people worldwide make an impact that matters at www.deloitte.com.

Deloitte Limited would be pleased to advise readers on how to apply the principles set out in this information leaflet to their specific circumstances. Deloitte Limited accepts no duty of care or liability for any loss occasioned to any person acting or refraining from action as a result of any material in this information leaflet.
