Paired with a Deloitte professional
who will act as your **"Buddy"**
throughout the program

Based at our **Nicosia** office

What's in it for you?

The people you will work with. The incredible opportunities on offer. The sort of work you will do. You will watch, learn, participate, and network.

Tech.D Internship Program

Our Technology Consulting Team

Impact and value drive everything we do. Our Technology Consultants work alongside our clients to help bridge the gap between their business needs and technology requirements, delivering technology solutions that meet their most pressing demands. Join us to help transform the digital enterprise with both core and innovative technologies, delivering tangible, sustainable benefits.

What We Do

Technology Strategy

Achieving maximum impact and value from investments in finance, supply chain and IT operations requires a holistic view of key business functions from strategy through process design and technology enablement.

Emerging Technology

We help our clients take advantage of any emerging technology that would accelerate their business giving them a competitive edge to their competition.

Digital Experience

Focusing on data-driven, creative, customer-centric approaches that leverage the latest technologies to deliver outstanding service and value to clients.

Enterprise Platforms & Ecosystem

By combining leading technology with our proven business acumen, we provide clients with complete, scalable and bespoke solutions.

Architecture & Engineering

Tacking advantage of new technologies to drive product and service enhancements, improve financial performance, and accelerate speed to market.

Data & Analytics

Providing solutions based on innovative and solid data engineering and analytics technologies, bringing the best to our clients' businesses.

Technology Transformation Management

Through our certified technology transformation management practice, we support our clients deliver technology, following both Agile and Waterfall methodologies.

Security

Digital threats to companies are exponentially linked with their ability to keep data and information secure. We bring security threat expertise, enabling zero trust technology solutions across the board.

Tech.D Internship Program

Application Process

We look for candidates who successfully manage strong academics with extracurricular activities. We want leaders, and we will help you turn your leadership skills into valued contributions.

Academic requirements

- University students; applications are encouraged from all academic disciplines, including science, technology, engineering, maths, information technology, amongst others
- Minimum academic requirements:
 - UK Universities: degree classification of 2:1
 - University of Cyprus: GPA 7.5/10
 - Private Universities/Colleges in Cyprus: GPA 3.5/4
 - Greek Universities: GPA 7.5/10
 - US Universities: GPA 3.3/4

Personality matters!

- While grades are important, to make the most of this opportunity and flourish in your career, additional factors come into play! We are looking for:
- A high level of self-motivation and commitment
 - The ability to analyse and work through complex problems
 - Flexibility, resilience and intellectual curiosity
 - A proactive approach to work
 - Ability to collaborate and work well within a team environment
 - The ability to learn quickly
 - Demonstrated leadership, creative problem solving and strong verbal and written communication skills
 - Ability to prioritise tasks, work on multiple assignments, and manage change

How to Apply

- The first step is telling us a little about yourself, by completing the relevant Application Form (*under Program, select "2022 Tech.D Internship Program"*)
- Application Deadline: 30 April 2022
- Places are limited!

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its global network of member firms, and their related entities (collectively, the “Deloitte organisation”). DTTL (also referred to as “Deloitte Global”) and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte & Touche (M.E.) LLP (DME) is the affiliate for the territories of the Middle East and Cyprus of Deloitte NSE LLP (“NSE”), a UK limited liability partnership and member firm of DTTL. Deloitte Limited, a private limited liability company registered in Cyprus (Reg. No. 162812) is the sub-licensed affiliate of Deloitte NSE for Cyprus. Deloitte Limited is among the leading professional services firms in Cyprus, providing audit & assurance, consulting, financial advisory, risk advisory, tax and related services as well as a complete range of services to international business through over 750 people in Nicosia and Limassol. For more information, please visit www.deloitte.com/cy.
