

We are proud to be associated with the largest global professional services network, serving our clients in the markets that are most important to them

We focus on being the undisputed leader in professional services, helping our clients solve their toughest challenges while being a role model of quality and integrity

We provide value to clients through our ability to offer a multitude of services, rendering the company a “one stop solution” coupled with our proactive and tailored approach to every client engagement

We are proud to have helped international organisations and individuals to successfully and seamlessly relocate to Cyprus

Our team of professionals have market-leading capabilities and experience, and can advise you on the most suitable approach and solution tailored to your specific business and personal needs

Our aim is to promptly handle the whole relocation and/or business set-up process, so you can concentrate on your core operations

Our strong project management skills ensure streamlined and standard interchange of information between the outsourcing team and your teams

We possess in-depth knowledge of the related legislations and procedures and act as your professional liaison with the local authorities

We cooperate only with reputable organisations that can provide you with attractive quality investment options and related services

Confidentiality is our cornerstone and we are able to adapt to and comply with robust data security requirements

We ensure synergy between our relocation and immigration services and our Tax Department, minimising client involvement, time and resources
