

Mergers & Acquisitions Czech Republic

Our legal services

Mergers & Acquisitions

Advising corporations, private equity sponsors and shareholders both on the buy-side and the sell-side in all types of local and cross-border acquisition transactions. Tax and legal structuring and advising in respect of all types of local and cross-border mergers.

Merger Clearance

Counselling and representing clients within pre-notification meetings before competition authorities. Advising in relation to “gun jumping” compliance issues and integration planning. Representing clients in merger clearance proceedings.

Joint Ventures & Strategic Alliances

Assisting with planning, structuring, operating, evaluating, and implementing various joint-venture structures. Advising on strategic corporate alliances across various industries.

Demergers & Reorganisations

Advising on various types of demergers, both full and partial, and other restructurings and reorganisations.

Private Equity Transactions

Advising clients through all stages of private equity investments to the full range of target assets across various industries. Structuring and advising on leveraged buyouts and distressed sales. Assisting with structuring and negotiating the financing for the deals.
