Four steps of Process Mining

1. Data Extraction
   - Time stamps
   - Event semantics
   - Process instance IDs

2. Data Framework
   - Modular Deloitte Process Mining Data Framework
   - Configure customization
   - Aggregate multiple systems

3. Visualisation
   - Process explorer
   - KPI tailoring
   - Patterns and causality

4. Analysis
   - Lead time and value drivers
   - Adherence checks
   - Efficiency levers

This communication contains general information only and is not suitable for addressing the particular circumstances of any individual case and is not intended to be used as a basis for commercial decisions or decisions of any other kind. None of Deloitte GmbH & Co. KG or Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively, the “Deloitte network”) is, by means of the communication, rendering professional advice or services. No entry in the Deloitte network shall be responsible for any loss whatsoever sustained by any person who relies on this communication.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities (collectively, the “Deloitte network”). Each member firm is a legally separate and independent entity. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. Please see www.deloitte.com/about for a more detailed description of DTTL and its member firms.

Deloitte provides audit, risk advisory, tax, financial advisory and consulting services to public and private clients spanning multiple industries. Legal advisory services in Germany are provided by Deloitte Legal. With a globally connected network of member firms in more than 150 countries, Deloitte brings world-class capabilities and high-quality service to clients, delivering the insights they need to address their most complex business challenges. Deloitte’s approximately 65,500 professionals are committed to making an impact that matters.
