

## SAP Expert

Learn how you can correctly license the SAP software you are using according to the requirements of the contract.

The Deloitte SAM Academy provides a comprehensive training program for all key activities relating to Software Asset and License Management (SAM). The content of the SAM Academy has evolved from Deloitte's long-term SAM experience in diverse customer projects and covers the entire software lifecycle. We offer impartial guidance and training independent of any software vendor or tool provider.

Expanding on the Deloitte SAM Academy Starter Training for SAP Software Licensing, this Expert Training provides you with a deep dive on the central SAP licensing models. You will also learn about the new world of the SAP cloud products and how to license these. Furthermore, you will see the bigger picture of how the usage of SAP products will change and what the vision "Intelligent Enterprise" really means for SAP.
