Deloitte.

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. Please see www.deloitte.com/about to learn more about our global network of member firms. In France, Deloitte SAS is the member firm of Deloitte Touche Tohmatsu Limited and professional services are provided by its subsidiaries and affiliates.

Deloitte provides audit & assurance, consulting, financial advisory, risk advisory, tax & legal and related services to public and private clients spanning multiple industries. Deloitte serves four out of five Fortune Global 500® companies through a globally connected network of member firms in more than 150 countries and territories bringing world-class capabilities, insights and service to address clients’ most complex business challenges. To learn more about how Deloitte’s approximately 264,000 professionals make an impact that matters, please connect with us on Facebook, LinkedIn, or Twitter.

In France, Deloitte calls on diversified expertise to meet the challenges of its clients of all sizes from all industries – major multinationals, local micro-companies and medium-sized enterprises. With the expertise of its 11,300 professionals and partners, Deloitte is a leading player in audit & assurance, consulting, financial advisory, risk advisory, tax & legal and related services, based on a multidisciplinary offering and a set of action principles attuned to the requirements of our environment.
