

Women in Corporate Finance

Are you interested in making an impact that matters and learn more about M&A? Deloitte Corporate Finance invites female students to an exclusive evening

In **Deloitte Corporate Finance**, we advise corporates, entrepreneurs & private equity clients on strategic, financial and tactical aspect of the process when buying or selling a company.

A day at work includes client interaction and teamwork when working on e.g. presenting investment highlights of a company, investigating its corporate strategy or valuing a potential acquisition.

Our event "Women in Corporate Finance" provides you with the opportunity to gain insight into the exciting fields of M&A. You will be presented to real-life projects and obtain a deeper understanding of how working as an Associate is like.

The event is a great opportunity to network with other ambitious female students and to meet our female colleagues, who are looking forward to sharing their experience with you.

The event will start with an adventurous ride at Aarhus Harbour and will be followed by a presentation of Deloitte Corporate Finance before dinner and cocktails are served in the city of Aarhus.

Please apply no later than 3 October 2017 by writing an e-mail to Martina Pejic, Associate, at mpejic@deloitte.dk. Include a brief motivation (max. 300 words) and CV.

We are looking forward to meeting you.
