Contract Lifecycle Management

Deloitte Legal

# The Legal Technology Transformation Journey

## Improved contract management as a show case what Legal Tech Journey can look like

Legal transformation can be carried out in a number of stages, first embedding basic processes and associated technology, before moving to a more sophisticated toolset.

The Deloitte legal **technology maturity model** proposes a potential path to follow.

**Contract management is of the best starting points for the journey, reflecting the increased attention it has received and the recent technology developments; as well clearly visible benefit far beyond Legal community**

# Contract Lifecycle Management – How?

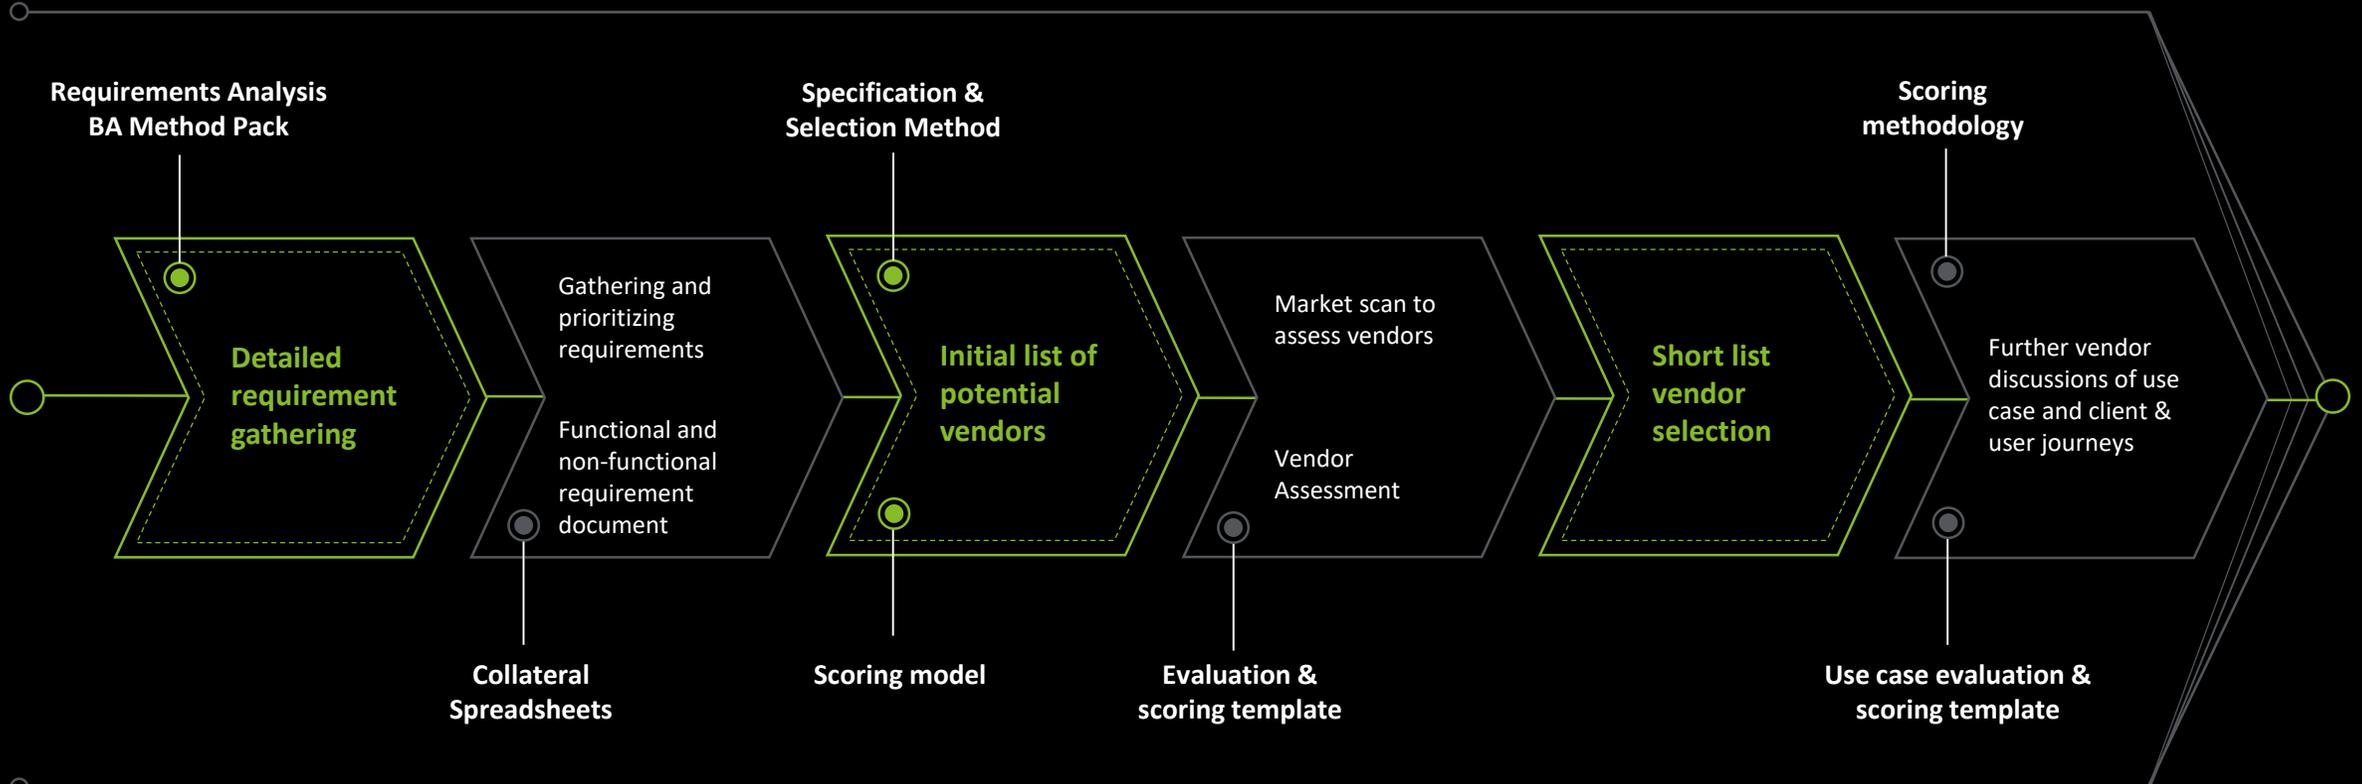

We bring Deloitte’s methodologies and accelerators to ensure a robust and efficient vendor selection process of a Contract Management System.

## Methodologies

We have developed methodologies based on our industry experience to support the Requirement Gathering, Vendor Analysis and Tool Selection stages.

## Accelerators

We have a number of accelerators to score vendors, which will increase efficiency throughout the vendor selection process.
