Deloitte Technology Fast 50 Finland 2022

Criteria

50

Technology Fast 50
2022 FINLAND

Deloitte.

What are the criteria for the nomination?

The Deloitte Technology Fast 50 Finland ranks 50 fastest growing technology companies in Finland, public or private, based on percentage sales growth over four years

- ✓ Be in business of a minimum 4 years – founded on or prior to January 1st, 2018
- ✓ Have sales of at least EUR 50 000 in 2018 and at least EUR 1 000 000 in 2021
- ✓ Not owned by a public entity
- ✓ Headquartered in Finland

How do you define a technology company?

In this award, we use a broad definition for a technology company. The common denominator for every qualified company is that the Company either has an in-house developed innovative technology solution or has found an innovative way to use existing solutions. The solution sold to customers must contribute to the majority of the Company's sales
