Technology Fast 50
2019 Finland
Deloitte.

Deloitte Technology Fast 50 program lists the 50 fastest growing technology companies in Finland based on company's revenue growth over the last four years (2015-2018).

Being recognized as a Technology Fast 50 winner, it provides increased visibility to investors, customers and future talent through local, national, and global media and social media exposure.

Technology Fast 50 2019 winners:

▲ 73 840%

Small Giant Games is one of the fastest-growing mobile game companies in the world. The company was founded in 2013. They believe that small, skilled and independent teams can accomplish gigantic things. Their latest game, Empires & Puzzles, has some of the best metrics in the industry and it has reached Top 10 grossing positions in 129 countries. Small Giant Games joined Zynga Inc in January 2019 and they continue to develop and operate their games as a separate studio within Zynga.

▲ 10 381%
