# Delivering service that matters

*We serve clients with quality and distinction, making a measurable and attributable impact.*

Deloitte is a strong, global brand. Our member firms have relationships with four out of every five Fortune Global 500® companies. That includes 92 percent of all technology, media, and communications companies, and 87 percent of the world's financial service and consumer business companies. Member firm clients know us, trust us, and express extremely high satisfaction with the service they receive.

Many would call that "success." We call it "a good place to start."

Deloitte's journey continues and our destination is undisputed global leadership. It's not enough to be a leader. We aspire to be the best.

We recognize that our network's future depends on Deloitte people and their ability to provide clients with distinctive service and measurable impact. Deloitte wants to be potential clients' first choice when they're looking for an auditor's auditor; when they need the confidence to take decisive action and achieve transformative results; when they require deep knowledge on complex tax issues; when they are facing a bet-the-company challenge.

To ensure their global clients receive consistent, high-quality, distinctive, world-class service wherever in the world they want it, Deloitte member firms are investing in and strengthening our network by:

- Equipping lead client service partners with the resources and authority they need to succeed;
- Deepening our insight into industries and sectors to bring valuable and actionable perspectives to bear on clients' business challenges; and
- Promoting "hyper collaboration" among our businesses and member firms so that Deloitte's multidisciplinary model delivers exceptional results.

Clear purpose. An unwavering commitment to putting clients first. Top-tier talent. Innovative solutions and alliances. Consistent, superior delivery. The courage and conviction to make an impact that matters. Leaving a stronger organization for the next generation of talent. These are the characteristics of undisputed leaders.

These are the characteristics of Deloitte.

### Produced by DTTL Global Brand & Communications

“Deloitte”, “we”, “us”, and “our” refer to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. Please see [www.deloitte.com/about](http://www.deloitte.com/about) for a more detailed description of DTTL and its member firms.

“Deloitte” is the brand under which tens of thousands of dedicated professionals in independent firms throughout the world collaborate to provide services to select clients. Deloitte provides audit, consulting, financial advisory, risk management, tax, and related services to public and private clients spanning multiple industries. With a globally connected network of member firms in more than 150 countries and territories, Deloitte brings world-class capabilities and high-quality service to clients, delivering the insights they need to address their most complex business challenges. Deloitte’s more than 220,000 professionals are committed to making an impact that matters.

This publication contains general information only, and none of DTTL, its member firms, or their related entities (collectively, the “Deloitte Network”) is, by means of this publication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser. No entity in the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this publication.

For the convenience of the reader, a member firm of DTTL in a particular country is identified in the body of this report by the word “Deloitte” coupled with a country name (e.g., Deloitte Greece), in lieu of using the actual legal name of the member firm of DTTL in that country. In many countries, services may be provided by the actual member firms but could also be provided in addition by—or solely by—subsidiaries or affiliates of the DTTL member firm in that country, which are often organized as separate legal entities.

Specifically, with respect to the United States, Deloitte LLP is the member firm of DTTL and does not provide services. Services in the United States are provided by Deloitte LLP’s subsidiaries; including Deloitte & Touche LLP, Deloitte Tax LLP, Deloitte Consulting LLP, and Deloitte Financial Advisory Services LLP. All of these US entities are referred to in this publication as “Deloitte United States.” Certain services may not be available to attest clients under the rules and regulations of public accounting. Additionally, for the purposes of this publication only, individuals are identified by their name and the nomenclature discussed above for referring to a DTTL member firm, whether that individual is a partner, principal, shareholder, member, director, or employee of that DTTL member firm or one or more of its subsidiaries or affiliates (e.g., Paige Flanagan, Deloitte Ireland).
