# Having influence that matters

*We contribute to society, building confidence and trust, upholding integrity, and supporting the community.*

Back in 1856, a little more than a decade after starting his own accounting firm, William Deloitte made a name for himself by exposing fraud in the railroad industry and inventing a system to protect investors from mismanagement of funds. His commitment to servant leadership—to being a force for good—lives on today as a core element of Deloitte's culture.

The impact of that commitment, though, is now felt on a much larger stage than William Deloitte could ever have imagined. The Deloitte network uses the strength of its global network to help shape society and drive change that matters.

We treat our role in society as a privilege, and lead by example and positive influence that is exercised in a variety of ways.

We contribute to society through the work we do. Deloitte fills the vital role of the independent auditor, maintaining the integrity of the financial reporting process and preserving the public's trust in our capital markets. Deloitte's consulting services offer innovative solutions that help businesses thrive, which is essential for a healthy, vibrant economy and society. Through these and other services, member firm professionals help their clients successfully handle a broad range of risks, crises, and complex challenges, strengthening their businesses and protecting their customers.

Governments, nongovernmental organizations, and other businesses look to Deloitte for our knowledge, skills, and experience in tackling increasingly difficult economic, regulatory, and social issues. When Deloitte leaders and professionals share opinions on public policy and regulatory matters with decision makers, together, we advance economic growth and the social mobility of people worldwide.

Every day, Deloitte people are making a real impact in the places they live and work. From delivering pro bono support to nonprofits and helping young people develop employability skills, to strengthening communities in the wake of a disaster and driving measurement beyond GDP to tackle social challenges, Deloitte is focused on the issues that matter most.

Deloitte prides itself on doing not only what is good for clients, but also what is good for our people and the communities in which we live and work—always striving to be an organization that is held up as a role model of quality, integrity, and positive change.

“Deloitte”, “we”, “us”, and “our” refer to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. Please see [www.deloitte.com/about](http://www.deloitte.com/about) for a more detailed description of DTTL and its member firms.

“Deloitte” is the brand under which tens of thousands of dedicated professionals in independent firms throughout the world collaborate to provide services to select clients. Deloitte provides audit, consulting, financial advisory, risk management, tax, and related services to public and private clients spanning multiple industries. With a globally connected network of member firms in more than 150 countries and territories, Deloitte brings world-class capabilities and high-quality service to clients, delivering the insights they need to address their most complex business challenges. Deloitte’s more than 220,000 professionals are committed to making an impact that matters.

This publication contains general information only, and none of DTTL, its member firms, or their related entities (collectively, the “Deloitte Network”) is, by means of this publication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser. No entity in the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this publication.

For the convenience of the reader, a member firm of DTTL in a particular country is identified in the body of this report by the word “Deloitte” coupled with a country name (e.g., Deloitte Greece), in lieu of using the actual legal name of the member firm of DTTL in that country. In many countries, services may be provided by the actual member firms but could also be provided in addition by—or solely by—subsidiaries or affiliates of the DTTL member firm in that country, which are often organized as separate legal entities.

Specifically, with respect to the United States, Deloitte LLP is the member firm of DTTL and does not provide services. Services in the United States are provided by Deloitte LLP’s subsidiaries; including Deloitte & Touche LLP, Deloitte Tax LLP, Deloitte Consulting LLP, and Deloitte Financial Advisory Services LLP. All of these US entities are referred to in this publication as “Deloitte United States.” Certain services may not be available to attest clients under the rules and regulations of public accounting. Additionally, for the purposes of this publication only, individuals are identified by their name and the nomenclature discussed above for referring to a DTTL member firm, whether that individual is a partner, principal, shareholder, member, director, or employee of that DTTL member firm or one or more of its subsidiaries or affiliates (e.g., Paige Flanagan, Deloitte Ireland).
