

element

Automated entity management solution for greater quality, control, and efficiency

Element is a web-enabled application that supports the end-to-end corporate compliance process. It offers due date and task tracking, automated project management, and document generation. Element supports a wide range of activities, including approval of annual accounts, (re)appointment of directors or auditors, change of registered office, and other compliance-driven corporate work.

Key features

element can help to:

-  Improve quality and control of data, through built-in quality checks
-  Streamline project timelines, and align resources
-  Manage risk, by eliminating manual intervention

Element helps manage complexity and risk, giving better control of data and insight into the corporate compliance process

Deloitte. Legal

Why Deloitte?

- Element is built on Deloitte Legal's specialist knowledge and experience—delivering complex, centrally-managed corporate compliance services.
- The Deloitte Legal network, with over 1700 legal professionals in more than 70 countries, is well-positioned to serve clients across the world.
- Deloitte Legal, working together with other Deloitte professionals in tax, can provide a single-source, technology-enabled, global compliance service for both the tax and legal functions.

Why now?

- Timely, global compliance is a significant challenge, as regulatory change is common and sanctions for non-compliance can be severe.
- Legal departments must achieve more with less. Element increases efficiency, improves control, and increases the quality of the corporate compliance process.
- Automation of the corporate compliance process may lead to better management of risk, mitigation of directors' liability and increased efficiency, and may offer potential opportunities to pro-actively manage overall corporate housekeeping.
- Diligent corporate compliance can help manage risk efficiently, and allow resources to focus on other business objectives.

Who can benefit?

- Multinationals or national multi-entity companies seeking to:
 - Ease the administrative burden of corporate compliance
 - Reduce costs
 - Mitigate risk
 - Increase control
 - Comply with laws and regulations

Deloitte Legal means the legal practices of Deloitte Touche Tohmatsu Limited member firms or their affiliates that provide legal services. For legal and regulatory reasons, not all member firms provide legal services.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. Please see www.deloitte.com/about to learn more about our global network of member firms.

Deloitte provides audit, consulting, financial advisory, risk advisory, tax and related services to public and private clients spanning multiple industries. Deloitte serves four out of five Fortune Global 500® companies through a globally connected network of member firms in more than 150 countries and territories bringing world-class capabilities, insights, and high-quality service to address clients' most complex business challenges. To learn more about how Deloitte's approximately 245,000 professionals make an impact that matters, please connect with us on [Facebook](#), [LinkedIn](#), or [Twitter](#).

This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively, the "Deloitte Network") is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser. No entity in the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this communication.
