Highlights of US final and proposed regulations under section 987 and related rules

Deloitte Tax LLP has released a publication that discusses final and proposed regulations under Internal Revenue Code section 987. Section 987 generally applies to taxpayers with a “flow-through” qualified business unit (QBU), if the QBU has a functional currency that is different from the functional currency of its tax owners. The final regulations generally retain key elements of proposed regulations issued in November 2023, while introducing changes to provide certain relief.
