

# Action 14

## Make dispute resolution mechanisms more effective

### Potential policy change

The Action Plan will develop solutions to address issues that prevent countries from solving treaty related disputes under mutual agreement procedures (MAP).

Considerations

# Action 14

## Make dispute resolution mechanisms more effective

### Potential policy change

The Action Plan will develop solutions to address issues that prevent countries from solving treaty related disputes under mutual agreement procedures (MAP).

Changes to model tax convention.

Require access to mutual agreement procedures and arbitration.

Include arbitration provisions in treaties
