

Action 15

Develop a multilateral instrument

Potential policy change

The Action Plan will consider the development of a multilateral instrument to amend existing bilateral treaties.

Considerations

Action 15

Develop a multilateral instrument

Potential policy change

The Action Plan will consider the development of a multilateral instrument to amend existing bilateral treaties.

Analyse tax and international law issues related to the development of a multilateral instrument to enable jurisdiction to implement the measures developed in the course of the work on BEPS.

Interested parties will then develop the instrument.
