#### Union Customs Code partially applicable as from 30 October 2013

In June 2013 we informed you on the postponed application date of the Union Customs Code ('UCC) in our Customs Flash number 9. With this Customs Flash we would like to inform you that, as from 30 October 2013, the UCC will be partially applicable. The articles that will be applicable as from this date, concern the articles in relation to the delegation of powers and the conferral of implementing powers and the provisions on charges and costs. The other articles shall apply as from 1 June 2016 as these depend on the implementing provisions of the UCC, which are not yet finalised by the authorities.

You can consult the UCC in the link section of this Customs Flash.

We will keep you updated on this subject and any new developments that may occur.

If you have any questions regarding this subject, please don't hesitate to contact us.
