

Deloitte.

A sky-high employee experience—across the globe

“Inconsistent business processes and multiple outdated systems across HR and payroll were hampering the company’s ability to effectively serve and manage its global workforce.”

—Jen Kuenzli, Managing Director,
Employee Technology, American Airlines

QUICK STATS

- \$42 billion in annual revenue
- Approximately 110,000 employees
- 6,700 flights daily to 350+ destinations in 57 countries

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. Please see www.deloitte.com/about for a more detailed description of DTTL and its member firms.

Deloitte provides audit & assurance, consulting, financial advisory, risk advisory, tax and related services to public and private clients spanning multiple industries. Deloitte serves four out of five Fortune Global 500® companies through a globally connected network of member firms in more than 150 countries and territories bringing world-class capabilities, insights, and high-quality service to address clients’ most complex business challenges. To learn more about how Deloitte’s approximately 245,000 professionals make an impact that matters, please connect with us on Facebook, LinkedIn, or Twitter.

This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively, the “Deloitte network”) is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser. No entity in the Deloitte network shall be responsible for any loss whatsoever sustained by any person who relies on this communication.

THE ISSUE

Inconsistent business processes and multiple outdated systems across HR and payroll were hampering the company’s ability to effectively serve and manage records for over 335,000 employees and retirees and 225,000 non-employees worldwide.

THE SOLUTION

American Airlines—one of the world’s largest airlines—worked with Deloitte to create and deploy a single, unified global solution for HR, payroll, and talent management. Enabled by multiple SAP® SuccessFactors® modules and an SAP Payroll Platform powered by SAP HANA® Enterprise Cloud, the solution drives new digital business processes and enhances the employee experience for more than 110,000 team members along with 225,000 non-employees globally.

SAP HANA Enterprise Cloud

THE IMPACT

Single world-class employee experience across every region and for every team member

Significant cost savings and efficiencies from migrating to the cloud different systems, processes, records, and support operations across 57 countries

Consistent and accurate data, global/local functionality, and enhanced reporting capabilities empower the workforce to make improved local and corporate decisions. HR-related payroll errors, for example, were reduced to zero

Provided integrated employee performance, compensation management, and leadership succession planning capabilities

Extensible cloud-based technology platform, which enables continuous improvement and new innovation

Reduced the job candidate application process from 45 minutes to 10, and provided a digital onboarding experience for new employees

Enhanced General Data Protection Regulation (GDPR) compliance and other data privacy improvements
