

## Are Legal Departments Sufficiently Ready for Digital Transformation?

Are Legal Teams Prepared for Rapid Tech Adoption?

29%

Are Legal Teams Harnessing Innovative Technologies?

56%

Are GCs Ready to Become Trusted Business Advisors?

81%

Despite only 29% of respondents disagreeing with the statement that “Our Legal department takes a conservative approach to new technology adoption,” this conservatism does not stand in the way of Legal exploring new technologies now or in the future.

Respondents recognize that technology will have a major positive impact on driving efficiency in risk management and compliance — enabling Legal to focus on higher value activities. Yet only 56% of respondents say their department is investing today in such technology.

81% of respondents believe “The attorneys in our Legal department have the right skills and expertise to add strategic value within our organization”.
