# Changes to Annual Real Estate Ownership Tax (ENFIA) Approved

On 22 May, the Greek parliament approved Law 4389/2016 (published on 27/5/2016 in the Government Gazette), which amends the 2013 law introducing the annual real estate ownership tax (ENFIA). The ENFIA, which is comprised of a main tax and a supplementary tax, is levied on real estate owned by legal entities and individuals. The following changes apply retroactively as from 1 January 2016:

### Plots of land
